

PUBLIC UTILITIES COMMISSION

505 VAN NESS AVENUE

SAN FRANCISCO, CA 94102-3298

March 2, 2006

A RESPONSE TO THIS NOTICE IS DUE BY MARCH 31, 2006

TO: All Certificated Telecommunications Companies in California

SUBJECT: Projected Revenue Data for Fiscal-Year 2007-08

General Order 153, Section 9.4.1 requires all telecommunications companies in California to provide to the Telecommunications Division (TD) of the Commission the company's projected surchargeable billings for all intrastate telecommunications services. Please provide the surchargeable billings data for July 1, 2007, through June 30, 2008, on the template at the link noted below.

Decisions 95-09-065 and 00-10-028 designate that all end-user intrastate telecommunications services, whether tariffed or untariffed, are subject to the public program surcharges, except for the exclusions listed below. Billings for customer specific contracts are surchargeable and should be included in this filing. Contracts that were in effect as of the effective date of D.94-09-064, September 15, 1994, are exempt but will become subject to surcharge when the contracts are renewed and/or renegotiated. Billings under contract which become effective subsequent to September 15, 1994, are to be surcharged.

Pursuant to D.94-09-065 and modified by D.95-02-050, D.00-10-028 and Resolution T-16591, billings from the following services are excluded from surcharge:

- ULTS billings (claims you will make for ULTS services offered to low income customers);
- Charges to other certificated carriers for services that are to be resold;
- Coin sent paid telephone calls (coin in box) and debit card calls;
- Usage charges for coin-operated pay telephones;
- Customer-specific contracts effective before September 15, 1994;
- Directory advertising;
- One-way radio paging;

The template is available at <http://www.cpuc.ca.gov/static/telco/datarequests/index.htm>

Individual, company-specific data will be considered proprietary; the aggregate forecasted billing base will be considered public information.

The completed template is to be sent via e-mail to mwc@cpuc.ca.gov by **March 31, 2006**.

If you have any questions, please contact Hassan Mirza at 415.703.1638.

A handwritten signature in blue ink that reads "Jack Leutza".

Jack M. Leutza, Director
Telecommunications Division
